

AVAILABLE FOR FULL-TIME ROLES · DUBAI / GCC

# Strategic Market Research Analyst

Consumer Insights · GTM Strategy · GCC & MENA Markets

MSc Marketing graduate with 1+ year of data-driven research experience across Dubai and the MENA region. I translate consumer behavior, competitive intelligence, and market dynamics into positioning strategies that move brands forward — from luxury automotive to F&B to e-commerce. AI-fluent, trilingual, and specialized in regional market entry.

Core Skills (this could a little interactive like this from trifold media)

01

Content Production and 3D

02

Social Media Management

03

TikTok management

04

Branding and design

05

Web & App Design

06

Celebrity and Influencer management

FEATURED CASE STUDIES ( visual wise this can be done based on time line)

## Kcal World — GCC market entry research

Market Research & GTM Strategy Analyst · Dubai, UAE

F&B · regional expansion

Led end-to-end primary market entry research across 2+ regional markets for a leading health F&B brand. Applied the 4Ps framework, PEST, SWOT, and CBBE modeling to diagnose a 25% gap between consumer perception and brand positioning, and designed a content-led repositioning strategy. Built forecasting frameworks from aggregator and platform data to equip senior leadership with scaling decisions.

25% perception gap identified 25% forecast accuracy lift 5+ segments analyzed Q3 campaign informed

## Keko Advertising — luxury automotive launch

Digital Strategy & Consumer Intelligence Analyst · Dubai, UAE

luxury · automotive

Orchestrated pre-launch consumer intelligence and audience segmentation for a global luxury automotive campaign entering the GCC. Conducted cultural alignment research to localize global brand messaging, audited 4+ premium competitor digital presences, and built a cross-platform content roadmap to maximize pre-launch engagement.

4+ competitors audited omni-channel content roadmap cultural alignment research

## Yalla Tager — MENA e-commerce feasibility

Market Research & Feasibility Analyst · Egypt / GCC

e-commerce · MENA

Delivered a full-scope market feasibility study for a digital commerce platform across Egypt and GCC markets. Benchmarked 5+ direct competitors across 7 competitive dimensions, identified a critical post-purchase community engagement gap, and recommended a differentiation protocol for market entry across Instagram, web, and app channels.

5+ competitors benchmarked GCC expansion roadmap community engagement gap surfaced platform prioritization delivered

## Khaltat Perfumes — MADA Competition 2024–25

Market Research & Campaign Strategy · Mohamed Hilal Group brief

luxury fragrance · competition

Selected to participate in the MADA Competition — a formally organized marketing challenge run by the College of Business Administration in collaboration with Mohamed Hilal Group, one of the UAE's leading luxury conglomerates. Conducted consumer behavior research, social media audits, and competitive benchmarking for Khaltat Perfumes, translating findings into a full campaign strategy covering brand positioning, audience segmentation, social media planning, and creative direction.

consumer behavior analysis, competitor benchmarking social media audit brand repositioning GCC luxury fragrance participation certificate
